

Cookie Policy (ENG)

Notice on the use of cookies

When you visit one of the websites of plazz and companies in which plazz directly or indirectly, holds a majority interest, information may be stored on your client in the form of a so-called "cookie". Cookies are small text files which enable analysis of the use of the website, record settings and data in your browser, as well as allow customizing website to your interests and displaying interest-based advertising on other websites. We do not collect any personal data by means of cookies unless you have expressly given us your consent to do so.

Types of cookies

Depending on their function and purpose, cookies can be divided into two categories: technically necessary cookies and optional cookies. There may also be so-called first-party cookies, which are cookies that we place as the operator of the website, and so-called third-party cookies, which are placed by a domain other than ours. In principle, any cookie can be removed by deleting the browser cache, thereby immediately losing its validity.

Below you will find a list of all cookies that can be used on our websites as well as further information about their purpose, period of validity and type.

Technically necessary cookies (CMS)

Technically necessary cookies are required so that you can navigate through our websites and operate the basic functions of our websites. Without these cookies, the use of the website may be limited. In our case these technically necessary cookies are only required for CMS logins done by privileged users.

Name	Purpose	Period of validity	Type
PHPSESSID	Stores user-information in the admin context, only if a CMS login is performed this cookie is set.	Until the session ends	First-party cookie
import_[X] [X] is a dynamic suffix	Authenticates the user when carrying out a person import, if this is password protected. Access to the data is only possible with the PHPSESSID cookie set.	Until the session ends	First-party cookie

Optional cookies

Optional cookies collect information about the use of our website, serve to optimise the website and allow the preparation of reports on probable interests and probable demographic characteristics of the visitors. They can also be used to offer targeted content that is relevant to the users and adapted to their interests. The latter information may be shared with third parties, such as advertisers.

Name	Purpose	Period of validity	Type
_pk_ses.[HASH] [HASH] is a dynamic suffix	Piwik-User-Session-Identification	30 Minutes	Third-party cookie (http://matomo.org)

In particular we inform you about the following services:

Matomo

This website uses the web analysis service software Matomo, we deploy Matomo and its analytics features on premise within the applications environment. Matomo is implemented without the use of cookies which is detailed and explained in the following documentation:

<https://matomo.org/faq/new-to-piwik/how-do-i-use-matomo-analytics-without-consent-or-cookie-banner/>

If you do not agree with the storage and evaluation of this data from your visit, you can object to its subsequent storage and use at any time by mouse click. In this case, a so-called opt-out cookie is stored in your browser, which means that Matomo does not collect any session data. Attention: If you delete your cookies, this means that the opt-out cookie will also be deleted and may have to be reactivated by you.

If you have any questions about the Cookie Policy, please contact privacy@plazz.ag
